# The Art of Wedding Storytelling , Redefined.

A wedding is not just an event.  
It is heritage, emotion, elegance, and legacy woven into moments.

At Vivah BTS, we specialize in capturing the unseen luxury of your celebration — the quiet glances, the poised anticipation, the unfiltered joy — curated and delivered in real time with effortless sophistication.

# Our Services

## Real-Time Editorial Reels

Discreet. Refined. Cinematic.

From the glow of your Haldi to the grandeur of your reception, we craft editorial-style reels delivered the very same day — polished, timeless, and worthy of your legacy.

## Luxury Social Media Curation

Your digital presence deserves the same attention as your décor.

We design a cohesive, aesthetic wedding feed that reflects your personality, culture, and sophistication.

## Exclusive Behind-The-Scenes Documentation

Beyond the staged portraits lies the soul of your celebration.

We capture intimate, unscripted moments that reveal the depth and beauty of your story.

## Couple-Centric Signature Content

Graceful transitions. Soft cinematic movements. Refined storytelling.

Every frame is curated to feel intentional, effortless, and elevated.
